EUROPEAN COMMISSION

**Commission Communication in the framework of the implementation of Directive 2014/32/EU of
the European Parliament and of the Council on measuring instruments⁽¹⁾***(Publication of the references to normative documents drawn up by OIML and the list of the parts thereof
corresponding to the essential requirements (in conformity with Article 15 of the Directive))***(Text with EEA relevance)**

(2017/C 308/01)

Annexes I and IV (MI-002): Gas meters

in relation to:

OIML R 137 Edition 2012

Notes:

The column 'Comment' indicates the compliance between OIML R 137 and the relevant requirement in Directive 2014/32/EU.

The indication 'Covered' means that:

- The requirement of OIML R 137 is identical to the one of Directive 2014/32/EU; or
- The requirement of OIML R 137 is more severe than the one of Directive 2014/32/EU; or
- All of the requirement of OIML R 137 fulfils requirements in Directive 2014/32/EU (even when Directive 2014/32/EU allows other alternatives)

The indication 'Partially covered' means that the requirement in Directive 2014/32/EU is not fully covered.

The indication 'Not Covered' means that the requirement in Directive 2014/32/EU is either not compatible with the relevant OIML R 137 requirement or not included in OIML R 137.

The indication 'Not Relevant' means that the requirement in Annex I to Directive 2014/32/EU is not relevant for gas meters.

Essential requirements in Directive 2014/32/EU (Annexes I and IV (MI-002))	OIML R 137 (2012)	Comment
